### Kenya

Kenya is a wonderful country of colours, breathtaking landscapes, sun baked plains teeming with exotic wildlife, lush forested mountains and idyllic soft white sands leading to the stunning blue waters of the Indian Ocean. This is a perfect destination for a relaxing golfing holiday, a thrilling safari and a laid back beach holiday.

Highlights include the Masai Mara, one of the most well known and best animal viewing locations on earth. Amboseli and Tsava national parks also boast incredible wildlife viewing.

For golfers we can organise a programme along the following lines: Fly to Nairobi and stay for 3/4 nights at the five star Safari Park Hotel on the outskirts of Nairobi

Safari Park Hotel, Nairobi

While in Nairobi, play a round of golf on Karen Country Club or Muthaiga Golf Club - both courses are of the highest standard and offer a pleasant and scenic challenge

#### Karen Country Club

After a few days in Nairobi, fly to Mombasa Beach and stay for 6/7 nights at the four star plus Serena Beach Hotel. This is a lovely property right on the beach offering every water sport imaginable and a quaint and relaxed atmosphere - a lovely base to enjoy this amazing sea side resort

#### Serena Beach Hotel, Mombasa

While in Mombasa, play golf on Nyali Golf and Country Club - the only 18 hole golf course in Mombasa but one well worth playing two or three times during your stay

#### Nyali Golf and Country Club

A possible and well worth it extension to your golfing trip would be to spend a few days in one of the three main national parks - Masai Mara, Amboseli or Tsavo. We can of course organise any length of stay you prefer and any type of accommodation suiting your budget - just give us a call and we will be happy to put a package together just for you and your requirements.

#### Masai Mara migration
